the Eastern Connecticut League has had this season for on the outcome of that game rests the possible triple tie between three teams of the league, or the winning of the championship by the New London club.

Manager Joe Cranka of the New London team intends to win the game and Manager Chase of the Ashland club is equally as determined that the little old hall game shall be won by his players. New London won the game last Sunday at New London through scrors and everything else in base-hall that Ashland players seemed possessed to do during the pinches.
